Identifying Adjectives

Adjectives & Adverbs

Circle the Adjective

An **adjective** is a word that describes a noun (a person, place, or thing).

Adjectives tell us how something looks, sounds, feels, tastes, or smells, as well as its size, color, or shape.

1. The tall giraffe reached the leaves on the top branch.

[tall / reached / branch]

2. We ate sweet strawberries during our afternoon snack.

[ate / sweet / snack]

3. A small puppy rested on the living room rug.

[rested / room / small]

4. The slippery ice made it difficult to walk down the driveway.

[slippery / walk / driveway]

5. Maya wore a bright yellow raincoat in the storm.

[wore / yellow / storm]
