Irregular Plural Nouns

Nouns and pronouns

Draw a line from each singular noun on the left to its correct irregular plural form on the right.

Some nouns do not follow the regular rule of adding -s or -es to become plural. Instead, their spelling changes completely (child -> children, tooth -> teeth), or they stay the same (sheep -> sheep).

- | | |
|-----------|----------|
| 1. foot | . mice |
| 2. person | . teeth |
| 3. tooth | . feet |
| 4. mouse | . geese |
| 5. goose | . people |
