Obtain Marks: _____

Light & Shadows

Shadows

Write T for True and F for False:

1. ____ Shadows can form in total darkness without any light source.
2. ____ Clear glass casts a very dark shadow.
3. ____ In the early morning, when the Sun is low in the sky, shadows are long.
4. ____ A shadow usually matches the general outline or shape of the object blocking the light.
5. ____ Moving a light source further away from an object makes its shadow larger.
