

# Donuts sales bar graph

## Data and Graphing

Ram recorded the number of donut boxes sold for the week. Create a bar graph and answer the questions.

| Day       | Number of boxes sold |
|-----------|----------------------|
| Monday    | 5                    |
| Tuesday   | 6                    |
| Wednesday | 3                    |
| Thursday  | 2                    |
| Friday    | 3                    |

1. Which day did Ram sell the most donut boxes? \_\_\_\_\_
2. Which day did Ram sell the fewest donut boxes? \_\_\_\_\_
3. Did he sell more donut boxes on Monday or Wednesday? \_\_\_\_\_
4. Which days did Ram sell the same number of donut boxes? \_\_\_\_\_
