

Length (inches)

It's arts and craft time for Ethan and his little brother Liam.

1. Ethan's paintbrush is 8 inches long. Liam's paintbrush is 3 inches shorter than Ethan's. How long is Liam's paintbrush?
2. Their mother gives the boys two ribbons to use. Liam's ribbon is 7 inches long and Ethan's is 6 inches long. What is the total length of their ribbons?
3. The blue marker is used up more than the green marker. The green marker is 4 inches longer than the blue marker. If the blue marker is 2 inches long, how long is the green marker?
