

Length (metric units)

Chloe has three bookmarks: a pink one that is 14 cm long, a purple one that is 30 cm long, and an orange one that is 9 cm long.

1. Which bookmark is the shortest?
2. Compared to the shortest bookmark, how much longer is the longest bookmark?
3. Chloe's storybook is 22 cm long. Which bookmark cannot fit inside her storybook without sticking out?
