

Addition Word Problem

Addition

Anna, Leo, and Sam are keeping score of a board game. When a player wins a game, that player gets 8 points. If a player loses a game, the player has 2 points taken away. If it is a tie, every player gets 4 points.

1. Each of them has 25 points to start with. How many points do they have in total at the start?
2. Anna wins the first game. How many points does Anna have after the first game?
3. Leo wins the second game. How many points does Leo have after the second game?
