

Reduce, reuse, recycle

The environment

Reduce, Reuse, Recycle!

To **reduce** means to use less. Example: Turn off lights to use less energy.

Write two ways you can use less.

To **reuse** means to use things more than once.

Example: Use a refillable water bottle

Write two ways you can reuse things.

To **recycle** means to turn used things into new things.

Example: Old cans can be melted down and made into new cans.

What are two things you can recycle?
