

Reducing

The environment

Which choice conserves more resources?

Buying grocery items 	single-use plastic bags	reusable tote bags
Brushing your teeth 	leave water running	turn off tap while brushing
Drinking water at school 	disposable plastic bottle	refillable water bottle
Reading a book or story 	print a new paper copy	borrow from the library
Cooling down a room 	open windows for a breeze	run air conditioner on high
Going to a nearby park 	ride a bicycle or walk	drive in a car
Washing dishes 	leave sink running continuously	fill sink basin to wash
