

Subtraction (single digits)

Baker Tom had a busy day last Saturday.

1. He had 8 bags of flour but used up 5 bags on Saturday. How many bags of flour did he have left?
2. He ordered 9 bags of sugar, but the supplier said they can only deliver 6 bags of sugar on Monday. The rest would be delivered on Thursday. How many bags of sugar will be delivered on Thursday?
3. He had 6 boxes of butter, but 2 boxes melted on Friday because the fridge was not working. How many boxes of butter did he have left?
