

Subtraction using pictures

Count the circles. Write the total. Then, cross out circles according to the equation, and write the difference.

Total:

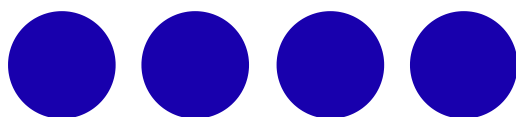

6

$$6 - 2 = \underline{4}$$

Total:

$$8 - 4 = \underline{\quad}$$

Total:

$$4 - 2 = \underline{\quad}$$

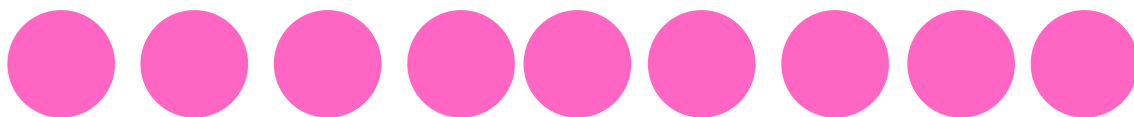

Total:

$$5 - 3 = \underline{\quad}$$

Total:

$$3 - 1 = \underline{\quad}$$

Total:

$$9 - 5 = \underline{\quad}$$

Total:

$$2 - 1 = \underline{\quad}$$
